

```

class Example {
  Example () {
  }

  action () {
  }
}

```

New Feature A

```

class Example {
  Example () {
  }

  action () {
  }

  helper () {
  }
}

```

New Feature B

```

class Example {
  Example () {
  }

  action () {
  }

  helper () {
  }
}

```

Bug Fix

=

```

class Example {
  Example () {
  }

  action () {
  }

  helper () {
  }
}

```

≈

```

class Example {
  Example () {
  }

  action () {
  }

  helper () {
  }
}

```
